

Material Safety Data Sheet

Identification of substance/preparation and of the company undertaking	
Trade Name:	Uriclean
Supplier:	Watersave Australia Pty Ptd
Contact Details:	11/25 Narabang Way Belrose NSW 2085
Email:	info@watersave.com.au
Hazard Identification	
No known dangers for human beings or environment	
Replaces 22/9/2005	Updated 30/3/2009
Composition/information of ingredients	
Content:	less than 1% anionic surfactant, triethanolamine, carbamid
Organic solvents / volatile substances:	None
Carcinogenic substances:	None
Epoxy / isocyanides:	None
Other dangerous substances:	None
First Aid Measures	
Skin Contact:	Rinse with clean water
Eye Contact:	Rinse with clean water
Inhalation:	Fresh air
Ingestion:	Drink water
Burns:	Avoid inhalation of smoke and gases produced by fire
Fire fights Measures	
Every kind of extinguishing equipment can be used	
Accidental release measures, information on precautions by spill	
None	
Handling and Storage	
Packaging:	<ul style="list-style-type: none"> Avoid temperatures below zero Only to be stored in original plastic packaging
Exposure controls/personal protection	
No special precautions by ordinary application. By atomization, P3 mask to be used	

Physical chemical properties			
State: Fluid	Colour: Clear	Odour: None	Relative density: 1.0
pH in concentrate: 7.5	pH in solution for use: 7.5		
Melting point: 0 deg C	Boiling point: 100 deg C	Flash point: Not relevant	Vapour pressure: No data
Auto ignition: None	Explosive Properties: None	Oxidizing Properties: None	
Solubility in water: Completely	Solubility in grease: No data		
Partition coefficient n-octanole/water: No Data			

Stability and reactivity
Conditions to avoid: Materials to avoid Hazardous decomposition products: Hardening time: The product is stable and causes no stable reactions

Toxicological information, short term and long term effects
Inhalation: None – however aerosols may be irritating Skin Contact: No irritation – OECD test, score 0,0 Eye Contact: Slightly irritant Ingestion: Slightly irritant

Ecological information
Low toxicity to aquatic organisms. Consequently, the product is not to be classified and it is very easily degradable

Disposal considerations
Small quantities of waste to be washed away. Considerable quantities to be delivered to be delivered to local waste handling authorities

Transport information
No special precautions

Regulatory information

Hazard designation:	The product need not be labeled according to the national classification and label rules
Contains:	
R phrase:	None
S phrase:	None
Restrictions on use:	None
Not to be used by:	No restrictions
Not to be used for:	No restrictions
Training requirement:	None
Code no.	00 1 Year 1993
Additional information:	The content of ingredients is below the EU triviality limit. Consequently demands on safety data sheet no longer apply

Other information:

The information in this safety data sheet is accurate to the best of our knowledge and is valid for the product delivered. This information only describes safety measures and is no liability whatsoever arising out of the use, application, adaption or processing of the preparation described herein.
